

## Travel Team Testimonials

I wanted to thank you for everything you and your coaches do for the boys of Burning River Lacrosse. Your commitment, leadership, patience and ability to provide positive reinforcement is appreciated.

Without the BR LAX program, Cameron would be playing decent lacrosse for a young and underdeveloped high school program. Instead, he had the opportunity to take his game to the next level, playing highly competitive games in front of some of the best colleges in the country.

Thanks to your counseling on the level of program that would be the right fit, we were able to focus on a great assortment of D2 and D3 programs that also provided a great educational opportunity. With our school visits concluding, Cameron has received 8 firm D2 and D3 offers with a couple more expected. He has narrowed his choice down to 3 schools, with overnight visits taking place over the next 3 weeks.

Whatever choice he makes, we all know the choices would not have been possible without the Burning River experience and your personal support. Next summer will be tough without a BR travel team schedule, but I know Cameron wants to stay involved with your program in whatever capacity possible throughout college, helping to provide others the same opportunity he so appreciated.
