Skills Session Testimonials

- "I loved the individual attention, small group sizes, & lots & lots of touches. Super encouraging for my son, who lacked a little confidence. What a HUGE difference I have seen already just starting the spring season with his local team." C. Ploskuniak - (Skills Sessions)
- "Last night's shooting session was awesome. I've tried many other of these clinics before & I would say that this one was the BEST I have done yet. I loved the constant movement & how we were never standing around for that long. Thanks again and looking forward to next already!" BR Skills Player
- My kid LOVED the session last night. She appreciated the time each of the coaches took to help her one on one with the dodges and stick positioning. She loved learning some stick tricks and working on foot skills too. She said she gained confidence in her abilities and is excited to try some of the dodge moves at a tournament this weekend. She is looking forward to next week's class!"
- "My players loved Wednesday's clinic in Mentor. There should be more coming your way."
