League, Camp or Clinic Registration Directions

This Document Is An Example Of The Screen Shots You Will See Once Logged Into Our Website.

None Of The Links In this Document Are Live. None Of the Dates Are Real.

To register for one of our leagues, camps or clinic you need to do the following:

1. **Login to your account.**

If you do not have an account, please take a minute and create one for you/your son. While this may seem like a pain it actually makes future registrations easier. Please note that each player must have a separate account. Once you have created an account please login.

2. **Once you have logged in you will see a “YOUR ACCOUNT” box on the left of the website screen. It should look like this (These Links Are Not Live. This What You Will See Once You Are Logged In)**

- Welcome kittie.
- [Account Home](#)
- [Registrations](#)
- [Account Settings](#)
- [Player Information](#)
- [Player Profile](#)
- [Account History](#)
- [Logout](#)

Welcome John, Account Home, Registrations, Account Settings, Player Info, Player Profile, Account/ History

Please click on the [Registrations](#) button

Note: The other buttons allow you to track your payments to us, see which events you have attended in the past, and change your contact information at any time.
