

Travel Team Testimonials

The BR program is exceptional. We are so impressed with the dedication and commitment of the BR staff. It is clear that your goal is to make the boys better players. We would definitely recommend this program to friends and family. We couldn't ask for a more positive experience. Great coaches, great parents, great boys! By far, BR is the way to go in Northeast Ohio. No other programs like BR!

On another note, the BR program really forces the boys to mature and become responsible young men. We like the fact that they are in charge of their equipment and that they have the opportunity to stay in dorms and connect with the other players. They definitely grow up a bit and realize how to take care of themselves and behave appropriately. BR not only improves players, but the program helps to build character in these young men--on and off the field.

Thanks for a great summer of lacrosse. You run an amazing program, and we are proud to be part of the BR family.

Take Care--and relax a little--you deserve it.
