- If you need to create an account go to <https://www.insidelacrosse.com/create>

STEP 2: CHOOSE YOUR EVENT

- Go to <https://www.insidelacrosse.com/event/recruiting> and select your event.
 - If you are signed into an IL Account, the button will state Register
 - If you are NOT signed into an IL Account, the button will state Login to Register
- Please double check to make sure that you are in the correct event. Your Invitation Code is made specific to each team in each event so your assigned code will not work if you are in the incorrect event.

STEP 3: INVITE/TEAM CODE

You must enter your Invitation Code. Your Code is made specifically for the team at your individual event.

- 2021 Team - 5EE7722AD184F
- 2022 Team - 5EE7724080E6B
- 2023 Team - 5EE7725D76AED

Step 4: REGISTRATION/WAIVER/MEDICAL INFO

After you have entered your Code, you will have to complete a set of questions in order to participate and submit your information.

- *For security purposes, the site will log you out after 15 minutes of inaction. There are quite a few questions to cover, including all recruiting and medical options.*
- *Please have all of the information ready so when you hit submit, the page does not take you back to log in page and you will have to re-enter the information.*

Step 5: COMPLETE REGISTRATION

You will then be brought to a Housing Page. Please select **No Housing**, and continue to the Summary Page. Please review the information. Registration will be complete when you click the **Complete Registration** button.

Note - Every registration will bring you to a page about payment. Click either option and the amount due will be \$0.00. You will need to hit Complete Registration in order for the registration to officially go through.

If you want to verify your sons registration, please reach out to your club director as we will provide them with constant updates on registrations. A confirmation email will be sent to the email address that is connected to your IL Account, not necessarily the parent email. Please check your Junk Folder for the confirmation email.
