

2022 Summer Travel Team Calendar

- **Maroon HS teams:** are attending the same events as last year. Video is included from all tournaments and games.
- **Navy HS teams:** are attending 1 showcase and 2 tournaments. You will start with the Midwest Prime Showcase on Friday June 10, 2022 in Cincinnati. This event features 1 hour of positional work with college coaches, a recruiting event with Ryan Boyle (CEO of Trilogy) and then 2 or 3 games. All games are video taped. This will get these players 1) in front of college coaches early, 2) video tapes to make a highlight tape, 3) recruiting advice and feedback. The code to register is: **burningriver**
- The Navy teams will then attend 2 recruiting events (Summer Cup and Pipe City) where all their games will be taped. We finish up at Pipe City on July 10 so that these players can attend prospect days, recruiting games, Inside Lacrosse Session 2 with our all star team, or have down time before fall sports kick in.
- **2026 Maroon Team:** Are attending Big 4, Liberty Summer Cup and Pipe City. The Big 4 event will allow these players to see and experience a top 10 national recruiting tournament. Our 8th grade teams have struggled at this type of event in the past, but have benefited from seeing where they are before they enter high school. Since our goal is to develop players, not win tournaments, we believe it is worthwhile for these players to attend Big 4.
- **All Middle School and Youth teams except the 2026 Maroon Team:** These teams will attend 3 super regional tournaments. This will allow each of these teams a great opportunity to play against a wide variety of teams from across the US.

We will monitor the situation at each of the current events. We will adjust the schedule if the tournaments or states they are in cancel events, shutdown / lockdown venues, or put onerous restrictions or requirements on the players.

For example, NY is currently locking down, passing mandates and limiting travel. If these rules are still in place this summer the Canadian, Central New York and non NY teams would not be able to attend the Niagara Lacrosse Showcase. This would change the competitive level of the tournament and cause us to re-think attending. We are hopeful that this will not happen but want to be upfront with parents as to our concerns.
