

## 13<sup>th</sup> Annual 'Crosse Out Cancer' College Showcase

- The event will benefit Breast Cancer Research. Specifically, areas that are at the forefront of new and emerging clinical and / or translational research.
- This event, which is the largest fall college showcase, will feature 14 Men's Lacrosse Teams. The teams are paired up on the field to show their talents, have fun and *reach out to make a difference in the lives of others in the community*. The success of this event is made possible by local and national sponsorships, many parents and coaching volunteers and the main attraction – the players.
- This year's goal is to raise over \$20,000 for breast cancer research.
- **To date, Crosse Out Cancer has raised over \$260,000 in support of breast cancer research.**
